

Reverse Christmas Parade Information

For more information, please contact Courtney Ashley – 828.245.0365 or courtneyashley@townofforestcity.com.

On Sunday, November 29 at 2PM, the Reverse Christmas Parade will depart from the Forest City Fire Department. The parade will consist of several community members and Santa riding on the fire truck. The parade will go through most of the neighborhoods in Forest City that do not have limited vehicle access. We encourage those along the parade route to view the parade from the comfort of their homes, porches or front yards.

While this is the first Reverse Christmas Parade in Forest City, we have made special arrangements to ensure that this event will be fun and memorable as well as safe for all who are involved. We are hopeful that this will bring joy to our community.
